Oh! say, can you see, by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming;
Whose broad stripes and bright stars, thro' the perilous fight,
O'er the ramparts we watch'd--were so gallantly streaming?
And the rockets' red glare, the bombs bursting in air,
Gave proof thro' the night that, our flag was still there;
Oh! say, does that star-spangled banner still wave
O'er the land of the free and the home of the brave?

Foreword =====

It has been the purpose of your yearbook staff to present in this volume the activities of Handley High School for the school year nineteen forty and forty-one.

We hope that you who read this book will find on every page something of interest—something to bring back fond memories and set you to dreaming of the happy days we have spent together.

As the years pass and memories take on deeper meanings, we hope that you will turn often to this copy of our school book to bring back the old faces and familiar scenes of our Dear Old High School.

★ *Dedication* ---

To Mr. William E. Ward, Jr.

A noble character, a recognized scholar, and a gentleman of southern culture.

We, The Senior Class of nineteen forty-one, gratefully dedicate this volume of our Year Book.

New York City
Dear Margaret:

I am certainly enjoying my business tour of the United States, for although I am obtaining material for my new story to be published in the New York Times, I am also running into many of our old classmates. It is quite interesting to meet them again and to find how successful they have become.

For instance, Jane Brent with her famous all-girl orchestra, is playing at The Tropicadero here in Hollywood. You remember Wayne Reynolds. Well, he is the business manager of the orchestra. As I understand it, he has been offered a much higher salary to become business manager of Artie Shaw's Orchestra, but he is quite content to stay where he is. I might add that he did look contented among all those pretty girls. You know how Wayne always was, perfectly happy when he was around some pretty girls. The vocalist in Jane's orchestra is none other than our own Tommie Meaders. The food at The Tropicadero is perfectly delicious, and do you know, Helen Hinson is the dietitian there. I always knew Helen would turn out to be a splendid dietitian.

While at the premiere of "Gold Rush Mazie," which has been revived, and in which Doris Countryman is starring, I saw Billy Jack Moore and his wife, Florence Gilstrap. Billy Jack has become a very successful doctor. You remember how Florence and Billy Jack used to make eyes at each other all the time in school. Everyone said there was a future in it. Oh yes, Rita Martin is Doctor Moore's nurse and a very good one, too. I know you could never guess who my escort to the premiere was; of course, you can't; it was no one but that famous playboy, Carl Moore.

Last week when I left Fort Worth by plane I was greeted on the plane by the hostess, Maudine Anthony. Before I left the airport I ran into James Jacks who is an aeronautical engineer at the airport. On board the plane I met Virginia Buck, Inez Jones, Virginia Renfro, and Alva Kliever who are all teachers at Handley now. Virginia Buck teaches physical education, Inez has taken Miss Bullock's place as a speech teacher, while Alva has taken her place as music instructor, for Miss Bullock has been married, and Virginia Renfro is the English teacher. The girls were traveling to Phoenix, Arizona to attend a national teachers convention. While I was in Fort Worth I went to the Roller Derby, for I saw in the paper that Louise Ussery was the star skater in the group. She could certainly skate and she has many fans. I chanced to meet Rosemary Whittle on the street in Fort Worth and she told me she was a dancing instructor at the recreation building. I also went to Stripling's Book Department, while there, to hear Ruth Miller review Patsy Wooten's popular book, "Gone With What Wind." Patsy told me that Bowie Chell was a preach-

er now and that E. S. Fitzgerald was a great scientist. E. S. has hopes of becoming a second Louis Pasteur some day, and I know he will do it. Earnest Miers has worked up to the place of press manager for the Star-Telegram. I hear that Porter Vaughn is quite a ham now, for he is head buyer for Swift and Company. I had my fortune read by Louise Looney who is now known as Madame Looney. Louise told me that she is doing quite well with her private readings. Well, Richard Grimes can certainly drive as fast as he pleases now without getting a ticket for he is an ambulance driver, but he is not satisfied yet, for he wants to be a midget auto racer. Richard told me that J. W. Swackhammer was head mechanic at Hancock's garage in Handley, and that Louise Bratcher was a model at Lord & Taylor in New York City.

I saw J. B. Groves at the Colonial Club in Fort Worth. J. B. is the pro there. He told me that Eula Mae was the stenographer in an all-girls school where Novella Hatter is the dean and Doris Livingston the Librarian in the same school.

I suppose you've read in the papers about Jack Drewry being the successor to Fred Waring. He has in his chorus two of our classmates, George Renfro and Weldon Ussery, while Helen Gibson is an opera singer at the Metropolitan Opera.

I heard over the radio today that Louise McKee has been selected as the glamour girl of 1946. The broadcast was made by the radio announcer, Joe Schooler.

I was recently in the M.G.M. lot where I saw Marie Sexton, the famous hair-stylist for Metro-Goldwyn-Mayer. Marie was styling Georgia Berger's hair for her new picture, "The Ziegfeld Girl" in which she was co-starred with Charles Hoffman, a second Clark Gable. Marie told me that Dorothy Morrison was the make-up artist for Paramount and that Helen Hester was a dress-designer for Warner Brothers. I'm sure that you remember how Alice Harris used to practice twirling the baton in high school. All her efforts were not in vain, for she is a majorette at the University of California, and she told me the other day, when I saw her here in Hollywood, that her highest ambition has been fulfilled.

I plan to attend the Olympics in Chicago next week. It will be particularly interesting as seven of our former Handley Classmates are participating. Frank Barron is now a great center in the football lineup, while E. L. Lowe, Jr. is quite a basketball player. The tennis star is Mary Jane Hardy and Roy Rigby is successor to Dizzy Dean. Jack Speight is a track star and Louise Swim has lived up to her name for she is now A.A.U. swimmer in the Olympics.

I suppose that is all the news for the time being so I'll close by saying that I think that our senior class has fulfilled the hopes of the teachers and Mr. Munden in attaining such a high goal. As a member of your staff, I remain,

Sincerely yours,

Elizabeth Swett.

NEAL McEWEN, Band Director

Always full of pep and ready to go. Everyone likes him and works for him. No trouble to get some one to toot his horn.

**HAROLD
BIERMAN**

Captain, Fullback

Harold was a good ball carrier and passer and did most of the punting this year. He also called signals this year and did a very good job of it. He will be back again next year and will be welcomed by all his team mates.

**NOBLE
BLACKSHEAR**

Right Guard

This is Noble's second year to letter and his last, but his best. Noble held down the right guard and with fine style.

**BUDDY
RICHARDSON**

Captain, Fullback

Buddy was a very good man in the backfield this year. He could make yards when needed, and he was a good blocker for the other backs. This is Buddy's last year and by far his best. Buddy had the backing of all his team and a spirit and good will for all.

**HAROLD
MOORE**

Left Guard

This was Harold's first year, but he played like a veteran. He left a hole in the line when it was needed.

GREYHOUND

FRANK BARRON

Center

Frank was a perfect cog in a smooth running wheel. He was a good sportsman and did a good job of backing up the line. He intercepted many passes that counted touchdowns. He had the backing of all the team and was liked by all. He will be missed by the whole team next year.

NED TAYLOR

Right End

Ned held down the right end of our team this year with a great performance. His fine pass receiving and great blocking ability showed up in every game. He lettered for his first year and he surely deserves his letter. Ned hopes to be back next year bigger and better than ever.

BOB CRAIG

Left Half

Bob is a very dependable man both on and off the field. He will be back next year with his fine ball carrying and his willing attitude.

LEROY MCKOWN

Left Tackle

This is McKown's last year to be with us as a greyhound and by far his best. Leroy has lettered two years and played the larger part of the total game. All will miss Leroy's playing and encouraging words.

**ROBERT
FORT****Left Half**

Robert was the safety man this year and did an excellent job of it. Robert also did some punting, and blocked well for the rest. This is Robert's last year and he will be missed by all next year. This is Robert's second year to letter. When you read this Robert will be working for his Uncle Sam.

**JAMES
JACKS****Right End**

James has been our right end the past two years and a good one both on offense and defense. This is James last year, which his team mates regret, but shall never forget his great playing.

**CARL
MOORE****Quarterback**

Carl was noted this year for his blocking and tackling and did both well. He also passed some and did it with excellent form. He has lettered two years and has done a fine piece of work both years, improving all the way. Carl will be greatly missed next year.

**VERNON
PURSELLEY****Right Tackle**

This is Vernon's first year, but we are glad to say that it is not his last. Vernon with his ever willingness and daily work made a valuable man and will be ready to go next year.

G R E Y H O U S E

J. B. GROVES

Quarterback

J. B. could always be depended on and will be missed next year for his courage and dependability. He did not start all the games, but did fine in the ones that he played.

CHESTER TACKETT

Left End

This is Chester's first year to letter and also his last but a mighty good one. Chester will be missed greatly by his team mates next year because of his great defensive playing and his ever lasting spirit which helped to push on to victory.

SONNY MUNDEN

Student Manager

Sonny was always ready on the field this year and was always the one to get the materials that were needed when the coach was busy. He always had a smile for the team whether they won or lost. He was also a handy man with the bandage when it was needed.

E. L. LOWE
Coach

W. L. BUTLER
Business Manager

COACH LOWE deserves much credit for the showing made by Handley High the last two years. He has taken practically new material and built two winning football teams. Last year he built a basketball team that ran as smooth as oil. This year he had one that was a thorn in the other teams' success. He has a large number out for football, and it looks as if they will make a winning team.

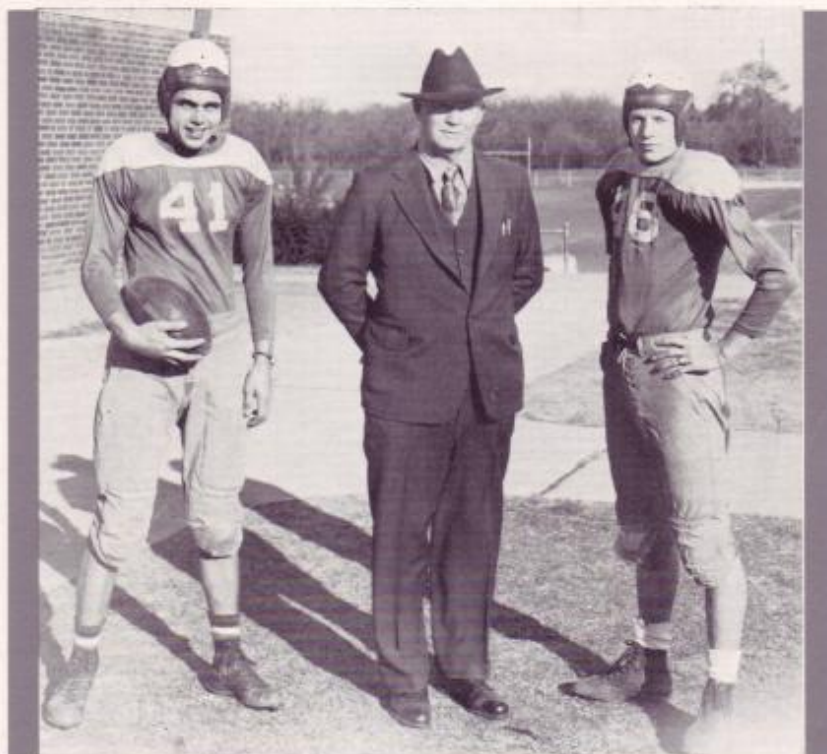

MR. BUTLER has been with us only two years as business manager. He has shown loyalty and backed basketball, football and all other sports to his full extent. Coach and the teams are looking forward to his being back next year, with his ever ready and willing help.

Football Team

In the fall of 1940 our football team started out with what our opponents thought to be a weak team. Then on the evening of our first game the boys came out on the field with a determination and tied one of the best teams to be played this season. On the following Friday we were to play Grandview, and with our boys still working we took that team with a 13 to 7 score. The next game was with Irving which was a hard game, but we had the big end of the score 13 to 7. Grandbury came next with a 31 to 0 score for us. Then Grapevine with a 32 to 0 score for us.

After this came the game of the season with Diamond Hill. This was one of the hardest fought games of the season, and the good part was that we took home the big end of the score with a 7 to 0 victory over them. Buddy played a game of blocking, running and smart defense that you seldom see the equal of in high school football. Harold also played a good game to help push the team over for a magnificent victory.

Then came Midlothian, which we took with a 25 to 0 score. This removed

all questions as to the district champs. Old Handley High School was way out in the lead and Coach Lowe was not saying much, but he was smiling a lot. In the by-district game we met Buckners. That game would take your breath away. We made the first touchdown, and then drove down to the one foot line; but we could not get that little extra punch to drive across the pay stripe. Then, shooting their passes with bullet accuracy, Buckner drove down for a touchdown. From this time on there was no other score made.

Penetrations of the twenty-yard line were even, but the boys from over Dallas way had a wee margin on first downs and the referee told them "you win." Our people were let down some because our boys did not win, but they came home as proud as peacocks over the way our boys played the game.

That game, of course, closed the season for us. But Old Handley High shines on just the same, proud of a team of real champions. During the season our warriors brought back to camp a total of 126 points and left only a scant 20 points with opponents. Not so bad. Not so bad.

PORTER VAUGHN, guard

This is Porter's first and last year on the Handley basketball team, and he will be missed greatly next year. Porter was a good ball handler and played hard all the time. He helped to keep the team going strong.

E. L. LOWE, JR., guard

E. L., captain for the squad, played his last year, which we regret very much. He will always be remembered as a very capable player and high point man in most of Handley's games.

BOB CRAIG, forward

Bob played his first year for Handley this year, and he shall always be remembered as Handley's best ball hawker. He will be back next year strong, fighting for Handley.

BILL HILL, forward

Bill is a two year letter man and did a fine piece of work this year. He was a fine point man and never gave up when under fire. Bill will be back next year stronger than ever and with the same old fighting ability to win.

NED TAYLOR, center

Ned played his last year for Handley. He will always be remembered as one player that would always hustle. He played his best even when he was tired, which shows that he would never quit trying.

HAROLD BIERMAN, forward

Harold was a cog in a perfect wheel and helped to put a wrench in the opponents' machinery. Harold has been with the Greyhounds two years and will be back next year fighting hard.

The policeman (Jack Speight) interrupts a brawl in which T. T. Trumble (E. S. Fitzgerald) and Bert Baxter (James Jacks) are "sitting on their keepers" (Joe Schooler and George Renfro). GIRL'S GLEE CLUB

This year's Girl's Glee Club has been one of the largest and most successful in the school's history.

Outstanding programs during the year have been those at the First Methodist Church in Fort Worth, our Patriotic Armistic Day program, the annual Christmas Contata, and the concert at the Federal Narcotic Hospital. Combined with the boy's voices as a mixed chorus this group assisted the Handley Civic Chorus in Christmas programs at both the Handley Baptist Church and Meadowbrook Methodist Church.

The club was singularly honored by being invited to sing in the massed all-city chorus which presented its concert in May at the Municipal Auditorium, under the direction of Dr. Wilfred C. Bain.

BOY'S GLEE CLUB

From left to right: Cleo Johnson, Bowie Chelf, Carl Moore, J. E. Green, Paul Hatchett, Jack Speight, David Collins, Thomas Blackshear, Charles Whittle, Kenneth Taylor, Otis Brooks, Miss Marian Bullock—Director.
Members not in the picture: Harold Bierman, E. L. Lowe, Jr.

The Boy's Chorus has made an outstanding contribution this year to the music department. Beside participating in numerous assembly programs the group sang at the Handley Dad's Club and the Federal Narcotic Hospital. They also assisted the Handley Civic Chorus at their Christmas Program and took part in the all-city high school chorus.

ORCHESTRA

Orchestra members seated from left to right are: Billy Gee, violin; Laurabelle Nobles, violin; Ramona Priddy, violin; Lester Priddy, violin, Concert Master; Walton Rogers, violin; William Welch, violin; Eve Collett, piano; Mavinelle Nobles, piano; Jody Lasater, double bass; Bernez Patterson, bass drum; Jim Patterson, snare drum; David Collins, clarinet; Thomas Swett, clarinet; J. E. Green, trumpet; Don Hazelwood (not pictured), trumpet; Hubert Davis, clarinet; Louise Swim, mellophone; Cleo Johnson, trombone; Stanley Lumpkin (not pictured), trombone; and Miss Marian Bullock, Director.

The highlight of the year for the orchestra was its participation in the all-city high school orchestra under the direction of Mr. Brooks Morris. At this concert they played the following numbers.

Bourree	Bach
Intermezzo	Bizet
Ballet Music (Rosamunde)	Schubert
Moment Musical	Schubert
Turkish March	Beethoven
Rakoczy March	Berlioz

Among other numerous programs the orchestra played at the district meeting of the Masonic Lodge and furnished incidental music for the Senior Play performances. Also for the first time, this year a beginner's orchestra has been organized. This group includes: Margory Nell Bone; Frank Rigby; Jack Everett; Donald Stark; Bennie Miers; Doris Taylor; Demmie Murphy; Natalie Fitzgerald; Vesta Pawley; Mary Lou Moore; Leroy Pierce; and Joyce Purcelly.

SCIENCE CLUB

Front row, left to right: David Collins, Mr. Ward, Bowie Chelf, J. W. Smith, James Jacks, Maxine Phillips, Porter Vaughn, J. E. Greene, E. S. Fitzgerald, J. B. Groves, Louise Swim, Louise McKee, P. L. McLary.

Second row, left to right: Wayne Bracken, Wayne Reynolds, George Bentro, Carl Moore, Weldon Ussey, Ernest Miers, Donald Hazelwood.

Each year the science club selects a project such as: the building of a radio, a public address system, a weather bureau, etc. This year this group has built a repulsion coil which they hope will be useful and entertaining in assembly programs.

Mr. Hill, always pleasant and friendly and dependable, is evidently getting ready to close for the day.

Between their lov'd home and war's desolation!
Blessed with vict'ry and peace, may the heav'n-rescued land
Praise the Pow'r that hath made and preserved us a nation!
Then conquer we must, when our cause it is just,
And this be our motto: "In God is our Trust."

TEXAS WESLEYAN COLLEGE

TEXAS WESLEYAN gives "Quality Education" in CHARACTER, PREPARATION, TRAINING AND CURRICULUM:

It is proverbially a school of character, and educates in the broad sense and trains for a specific useful work . . . Preparation is made with achievement attachments to the stout timbers of purpose and solid acquirements, knowing that he who enters life's battlefield untrained, is half-beaten . . . Our student acquires a more priceless possession than his Diploma—"The power of thinking."

CURRICULUM changes are made to fit the student for business . . . The regular academic training is thorough . . . The Division of Fine Arts offers the best cultural advantages in applied and Public School Music, and in the field of Art . . . Courses in Bible and Religious Education play an important part in preparing the student for Christian Service . . . Particular attention is given to those who choose pre-professional courses in Law, Medicine, and Engineering.

STUDENTS develop self-confidence and leadership through a well-balanced program of extra-curricular activities that represent scholarship, social and religious interests under college sponsorship.

SUMMER SCHOOL session, June 2 to August 23.

FALL TERM opens September 15, 1941. Write for catalog.

GUARDIANS OF YOUR BETTER LIVING

Symbols not of war . . . but of SERVICE! The smoke stacks of our electric plants may resemble somewhat cannons but they are the tools of production — not of destruction. They are sentinels of electric service and better living—reminders of one of America's great blessings.

Twenty-four hours a day you have all of the electric service you want for better living—to make your life more enjoyable. And the cost is only a few pennies a day—one of the smallest items of your family budget.
